A duvet is only good as its filling. The 'Gentelle' duvets come in a variety of sizes, and are crafted from fillings made from natural fibers such as duck or goose down, and the synthetic microgel fiber or polyfibers.

The natural duvets have the benefit of being both durable and naturally breathable keeping you cozy. The synthetic fiber filling duvets are designed to provide the feel and comfort of a natural down duvet. They combine soft textures and weightless warmth, and are hypoallergenic.
