

METINOX

Professional Tool For Professionals

Manufactured From The High Quality Stainless Steel, Our Exciting Range Of Cutlery, Kitchenware & Chef Helpers Is Synonymous With Quality, Durability & Class.

We Create

Masterpieces

Introduction

Manufactured from the high grade stainless steel, our exciting range of cutlery and Kitchen Tools is synonymous with quality, durability, and class.

METINOX India is a budding, dynamic company specializing in the manufacture and distribution of kitchenware and tableware. Headquartered in Delhi and with a state-of-art manufacturing and distribution facility, we are setting new standards in quality and design with our extensive range of kitchenware and tableware.

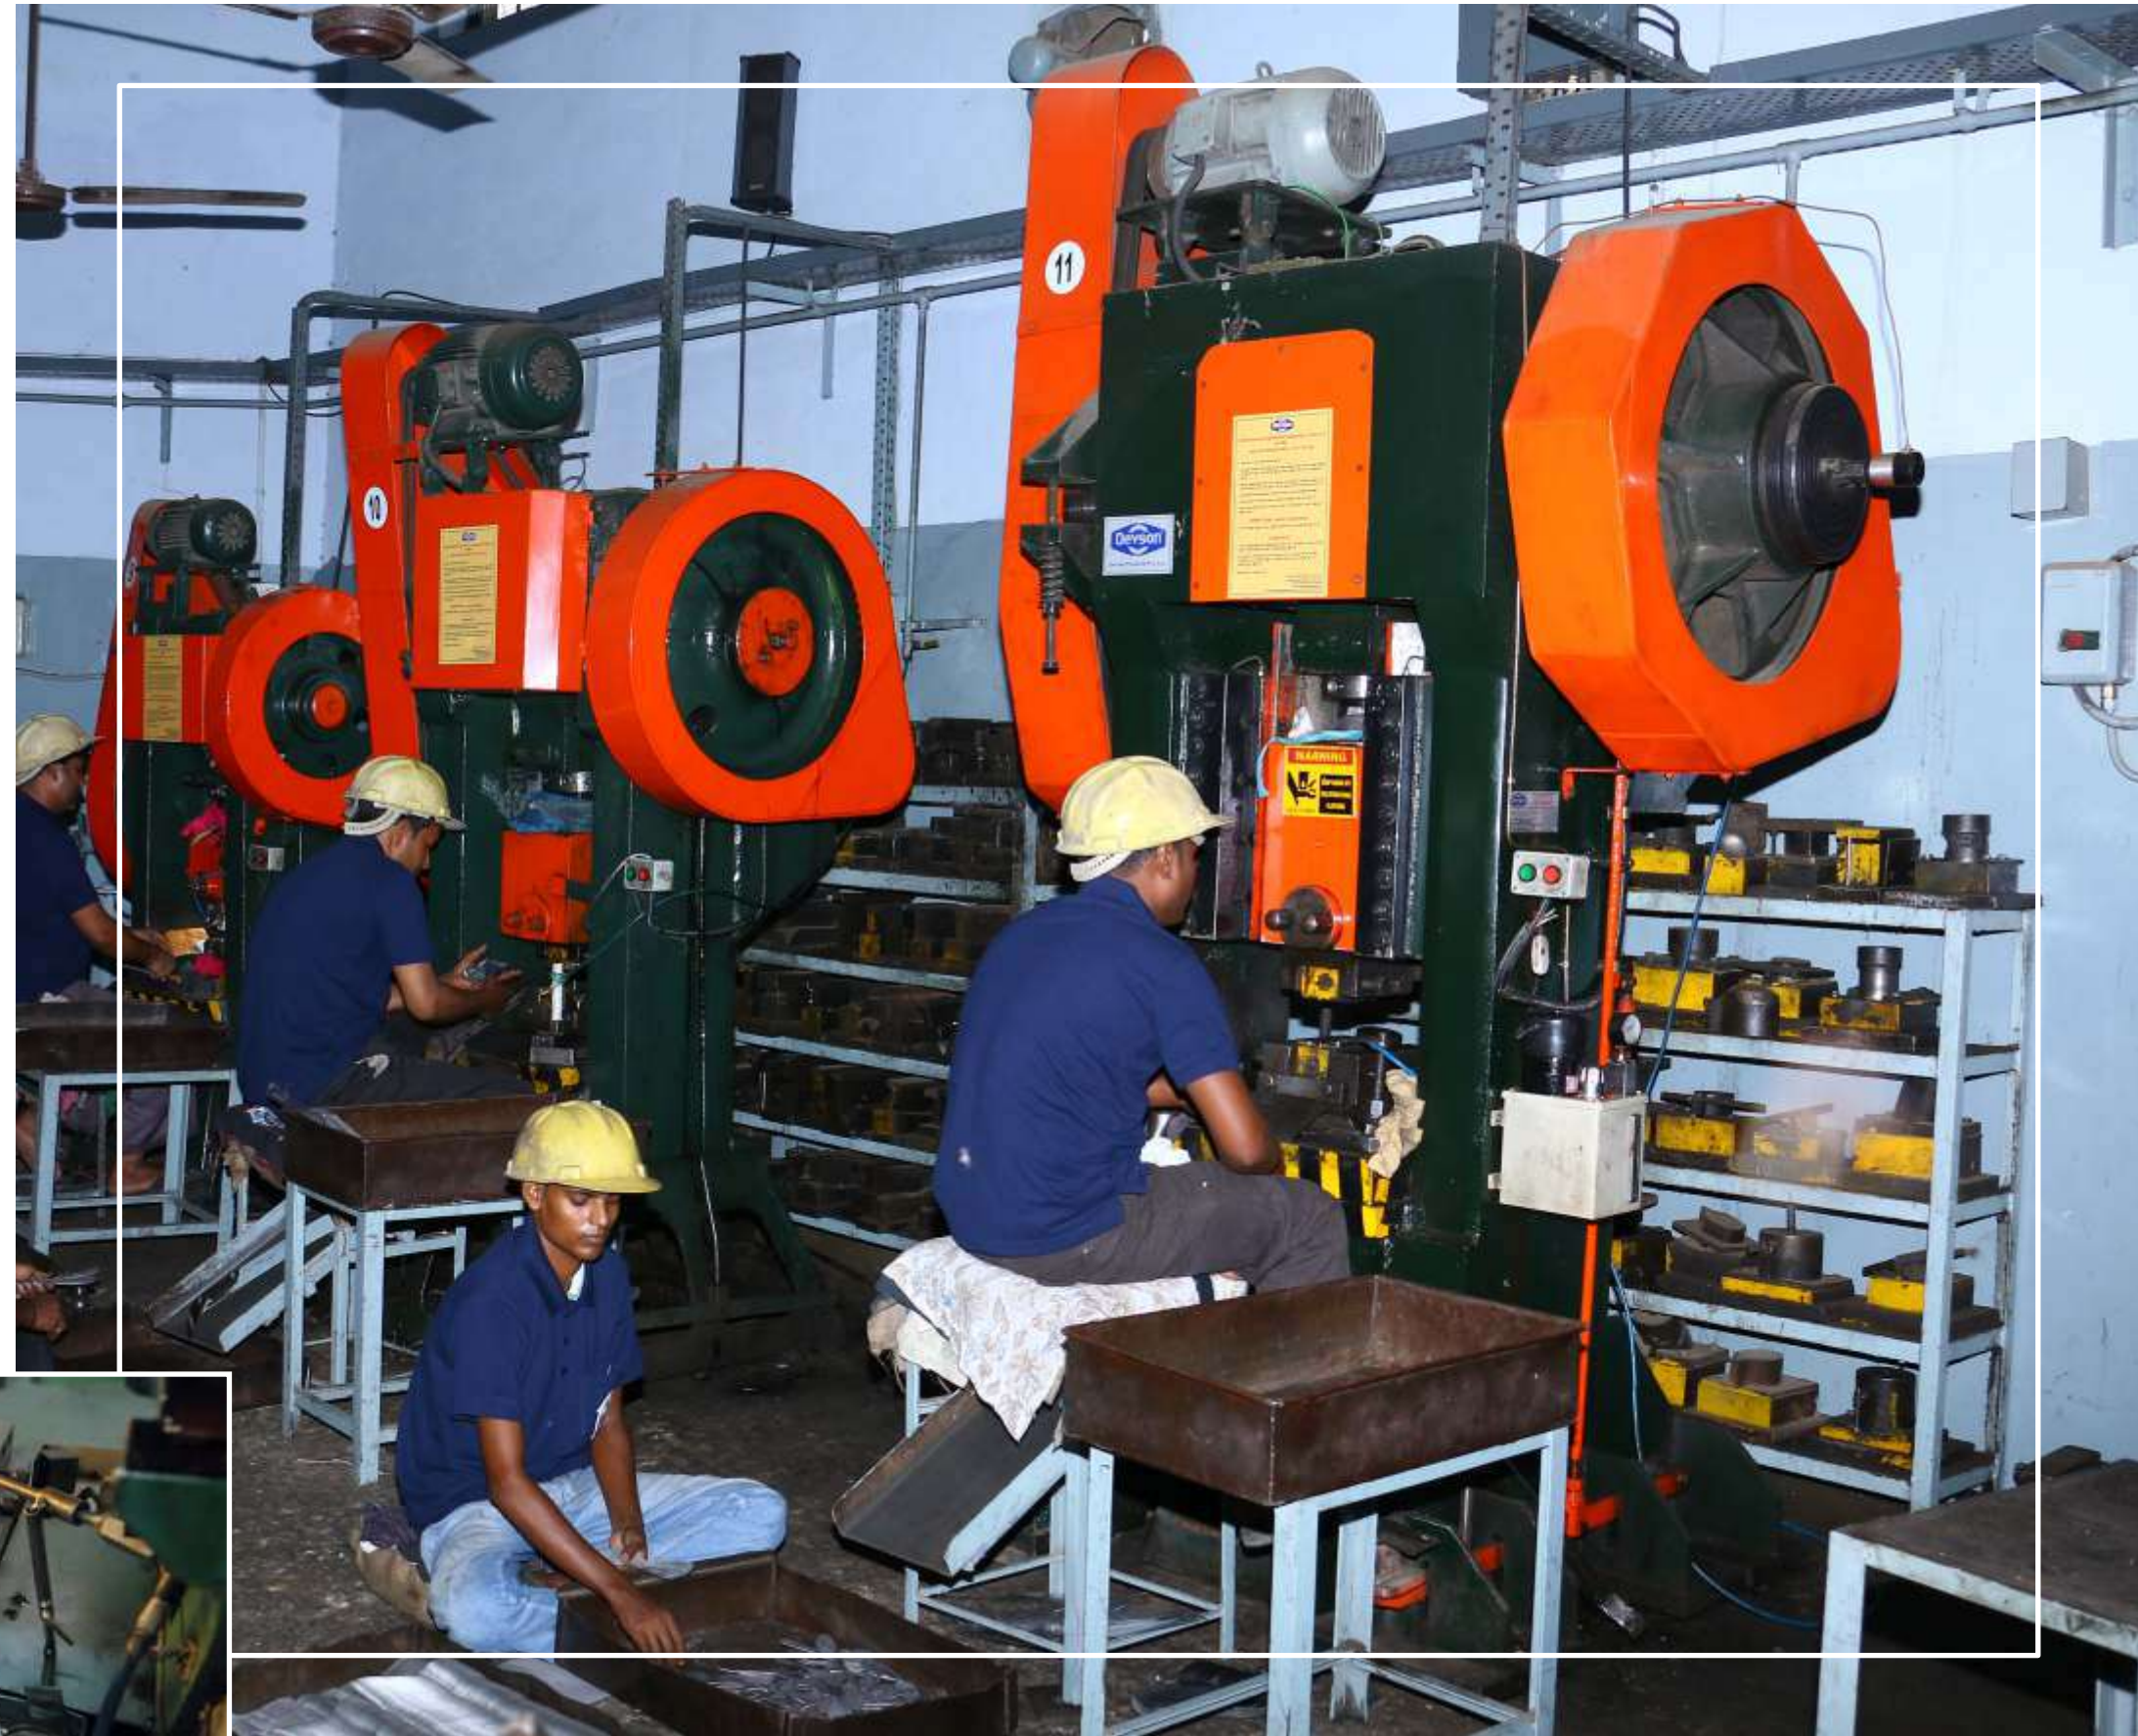

We are dedicated to providing professional chefs and restaurateurs with quality products and flawless services. All our products are pleasing to the eye, high in utility, practical in maintenance, and manufactured to the highest quality to ensure durability.

From our distribution office in Delhi, we are setting new standards in customer service. We value each order "whether large or small" and ensure that our products exceed customer expectations and meet their needs on a timely basis.

We are committed to servicing our clients not only through our comprehensive range of high-quality kitchenware and tableware, but also through competitive edge in costs.

We have surely and steadily added to our nationwide coverage through our exciting range of products, matched by an equally efficient customer service. Our efforts to go the extra mile have earned us an outstanding reputation amongst our clients.

We always keep our customer needs in mind as well as the expectations of the end-users to optimize our product range, design and service. A focus on market research is integral to our activities to keep pace with the times and achieve excellence.

CUTLERY

Quality is integral to our manufacturing and distribution services. We know our moral duty to maintain quality and follow quality management in all our processes to make perfect products. To ensure quality products are delivered to our customers, our internal quality control team is equipped with advanced testing facilities. We strictly conduct inspections on raw material, semi-finished and finished products
